

## Wireframes: Home and About Pages

## Wireframes: Services and Contact Pages

The image displays two hand-drawn wireframes side-by-side. The left wireframe is for a 'Services Page' and the right is for a 'Contact Page'. Both have a header with a logo (a box with an 'X') and navigation links: 'Home', 'About', 'Services' (circled in red on the left, and the fourth of four boxes on the right), and 'Contact'. The Services Page features three service cards, each with a placeholder image, a title ('Service 1', 'Service 2', 'Service 3'), three checkmarks, and a 'Book Now' button. The Contact Page features a 'Contact Company' heading, a form with fields for 'Name', 'Email', and two unlabeled text inputs, and a 'Send Form' button. Both pages have a footer with '© Company' and a 'Contact Us' button. The titles 'Services Page' and 'Contact Page' are circled in red at the bottom of each wireframe.
